Your hands have helped in many ways.
Here's a treat for these cold winter days!

Satin Hands makes them smooth and soft.
Wash them again; the moisture won't wash off!

Pull on the gloves before pumping gas.
This trick will help your good gloves last!

Merry Christmas!

SNOWMAN SOUP

Was told you've been good this year
Always glad to hear it!
With freezing weather drawing near
You'll need to warm the spirit.
So here's a little Snowman Soup
Complete with all the fixings.
Add hot water, stir with the cane-
The flavor's in the mixing!
Then as you sip, enjoy your treat,
Take time to energize legs and feet.
You deserve it because it's clear-
You've been really good this year!

Mug with instant hot cocoa with marshmallows,
candy cane and foot and leg cream.
