## Mary Kay® Mineral Facial Sunscreen

**Protect skin with 100% mineral sunscreen powered by zinc oxide.** Mary Kay® Mineral Facial Sunscreen Broad Spectrum SPF 30* delivers 100% mineral protection against UVA and UVB rays in a high-performance, fragrance-free formula powered by zinc oxide.
Applied after your morning moisturizer, this lightweight lotion wears well under makeup or apply to bare skin for daily sun defense.
As a bonus, zinc oxide is known to offer protection from blue light – another source of premature aging. Mineral sunscreen provides an effective defense.
