Business Guidelines

For All Career Path Statuses

The foundation of a strong Mary Kay business is, and always will be, the sale of amazing *Mary Kay*® products to your customers! Thanks to the Company's generous 50% profit potential on all retail sales, you have an incredible opportunity to earn real money by simply building a strong and loyal customer base and selling products to your satisfied customers!

An Independent Beauty Consultant is considered **active** in the month a minimum \$225 wholesale Section 1 product order is received and accepted by the Company and in the following two calendar months.

Activity status, career path status and compensation are based on Independent Beauty Consultant Agreements and wholesale Section 1 orders received and accepted by the Company by the close of business each month.

An Independent Beauty Consultant who orders \$225 or more in wholesale Section 1 products will receive a 50% discount on her entire Section 1 order and qualify for the **Earned Discount Privilege**. With the Earned Discount Privilege, she can receive a 50% discount on any subsequent orders she places, regardless of size, through the end of the second month after her order month. For example, if a Beauty Consultant places a minimum \$225 wholesale Section 1 order on July 15, 2020, her Earned Discount Privilege will apply until Sept. 30, 2020. She will be eligible for the Earned Discount Privilege as long as she remains active.

Spouses may be Mary Kay Independent Beauty Consultants. However, once one spouse becomes a Sales Director, the other spouse is not eligible to become a Sales Director. They may operate separately, just as if they were not related. However, for Company record purposes, one will be considered a personal team member of the other. In other words, the spouse of a Beauty Consultant must be recruited by that Beauty Consultant. The personal team commission and team-building cash bonus normally paid on team members will not be paid when an Independent Beauty Consultant recruits her/his spouse. Spouses do not count toward any program except unit wholesale Section 1 production and unit commission. The spouse will not count in any way toward Independent Sales Director qualification, career path status requirements or any Company promotions or awards, including qualification for or maintenance of a Career Car under the Career Car Program.

For career path status and compensation purposes, a *Great Start*-qualified team member is one whose initial order or cumulative orders with the Company are \$600 or more in wholesale Section 1 products, and the order(s) are received and accepted by the Company in the same or following three calendar months that her Independent Beauty Consultant Agreement is received and accepted by the Company.

Commissions and Bonuses: Commissions and bonuses, when earned, are paid three different ways.

- Be active and in good standing with the Company.
- Have 10 active personal team members.
- Submit a DIQ Commitment Form that is received and accepted by the Company.

Qualification Requirements:

- A DIQ may qualify as an Independent Sales Director in one, two or three months based on when she achieves the following:
 - » \$13,500 cumulative unit wholesale Section 1 production
 - » \$4,000 minimum unit wholesale Section 1 production each month, even if the DIQ has already reached \$13,500 cumulative wholesale Section 1 production during the qualification period.
- The DIQ's unit members must contribute at least \$10,500 toward the \$13,500 wholesale Section 1 production requirement.
 - » A DIQ may contribute up to \$3,000 in personal wholesale Section 1 production toward the \$13,500 cumulative unit wholesale Section 1 production during the qualification period.

Debut:

- 24 active DIQ unit members.
 - » The DIQ may count as one of the 24 active DIQ Unit Members.
- Cumulative total DIQ unit wholesale Section 1 production of \$13,500. DIQ must not contribute more than \$3,000 in personal wholesale Section 1 production. The DIQ unit must contribute \$10,500 or more of the required \$13,500 wholesale Section 1 production.

If the DIQ's qualifying unit does not meet all of the requirements, the DIQ has not qualified and must submit a new Commitment Form to begin qualification again. She may do so immediately if she chooses to and is eligible. A DIQ may only submit a Commitment Form a maximum of four times in a rolling 12-month time frame.

Details to Know Prior to Entering the Independent Sales Director-in-Qualification Program

- Be in good standing with the Company (which includes, but is not limited to, compliance with the terms of the Independent Beauty Consultant Agreement and paying in full any accounts receivable she may have with the Company under her current or previous Consultant numbers).
- The Independent Beauty Consultant must formally submit a Commitment Form requesting acceptance into the DIQ program. The Commitment Form is available on *Mary Kay InTouch*® from the 1st through 3rd of each month.
- In order to submit a Commitment Form to the Company stating the intent to begin the Independent Sales Director-in-Qualification (DIQ) program, an Independent Beauty Consultant must:
 - » Be active.
 - » Have 10 or more active personal team members by the end of the month prior to submitting the Commitment Form. For example, if a potential Independent Sales Director-in-Qualification (DIQ) wanted to submit a Commitment Form in June, then the Independent Beauty Consultant must have at least 10 active personal team members by May 31.
 - To count toward this requirement, none of the personal team members can be any of the following:
 - ▶ The spouse of the DIQ.
 - ▶ The spouse of an Independent Beauty Consultant.
