Mary Kay Clinical Solutions® Retinol 0.5

Mary Kay Clinical Solutions® Calm + Restore Facial Milk

Mary Kay Clinical Solutions® C + Resveratrol Line-Reducer

Mary Kay Clinical Solutions® HA + Ceramide Hydrator

<p>BEST FOR</p>	<p>Those who want to prevent or reverse the visible signs of aging.</p>	<p>Those who are in the process of retinization.</p> <p>Those experiencing increased dryness in their skin or those with mild skin irritation.</p> <p>Those who seek a calming, lightweight facial milk.</p>	<p>Those who are ready to take a targeted approach to lines and wrinkles with scientifically acclaimed ingredients.</p>	<p>Those who want to take a targeted approach to skin hydration with scientifically acclaimed ingredients.</p>
<p>KEY INGREDIENTS</p>	<p>Pure, high-concentration retinol, the gold-standard ingredient dermatologists recommend.</p>	<p>Plant oils rich in fatty acids, such as coconut oil, jojoba seed oil, safflower oil and olive oil.</p> <p>Glycerin and squalane</p>	<p>High concentrations of pure vitamin C and resveratrol</p> <p>Acetyl hexapeptide-8</p>	<p>Dual-action hyaluronic acid</p> <p>Ceramide</p> <p>Verbena officinalis extract</p>
<p>KEY BENEFITS</p>	<p>Stimulates surface cell turnover.</p> <p>Supports natural collagen and elastin.</p> <p>Shown to reverse visible signs of skin aging as well as prevent signs of aging that are not yet noticeable.</p>	<p>Delivers instant hydration* and calms irritated skin.*</p> <p>Can be dabbed lightly over makeup.</p>	<p>Vitamin C supports skin's natural production of collagen and elastin proteins, protects* against harmful effects of UV and other environmental stressors on the skin and is clinically shown to improve the appearance of lines and wrinkles caused by photodamage.</p> <p>Resveratrol supports skin's natural production of collagen and elastin proteins and helps defend against collagen breakdown.</p> <p>Acetyl hexapeptide-8 helps diminish signals that over time lead to lines and wrinkles.</p>	<p>Hyaluronic acid is known to hold on to water molecules to keep skin looking plump and healthy.</p> <p>Ceramide helps improve skin hydration and support normal barrier function. Ceramide is essential for the retention of skin moisture.</p> <p>Verbena officinalis extract supports skin's natural production of natural moisturizing factor.</p>

*Results based on two independent clinical studies in which women used the Calm + Restore Facial Milk
