

EVERYTHING-PROOF

Pout Perfection

Make your holiday hugs and kisses blissfully free of color transfer with the innovative two-step, color-locking technology of the limited-edition[†] *Mary Kay Ultra Stay™ Lip Lacquer Kit*.

Merrymaker TIP:

For best results, apply lip lacquer in one swipe, gliding the wand from one side of your lip to the other. Make sure the lip lacquer is dry before adding another layer.

LIP LACQUER is loaded with ultrafine pigments for rich, outstanding color in a single quick-drying swipe.

LIP LACQUER SEALER locks color in and ensures lasting color performance, infused with sodium hyaluronate to attract and maintain moisture.

TWO STEPS TO PARTY-READY PERFECTION

STEP 1:
LIP LACQUER
Apply lip lacquer directly to lips, keeping them apart as the lacquer dries.

STEP 2:
LIP LACQUER SEALER
Generously glide lip lacquer sealer over lip lacquer to lock in color, reapplying as needed.

ERASE WITHOUT A TRACE

Formulated with known skin-conditioning agents provitamin B5, vitamin E and bisabolol, lip lacquer eraser is specially formulated to effectively remove lip lacquer.

HOW TO USE:
Massage lip lacquer eraser onto lips and wipe away color. Repeat until all color is gone.

YOUR POUT, PERFECTED

Proven effective tips from our makeup experts:

- Always start with smooth, clean lips. Prep with *Satin Lips®* Shea Sugar Scrub and Shea Butter Balm.
- For enhanced definition and dimension, outline lips with a coordinating lip liner before applying lip lacquer and sealer.
- Avoid rubbing lips together while lip lacquer is drying.
- Achieve a more intense effect by adding a second layer of lacquer, allowing color to thoroughly dry between coats.
- Make a mistake? Wipe lip lacquer eraser over any lip lacquer mishap, then reapply lacquer. Let dry, then lock in color with sealer.
