

The Twelve Days of Christmas

The twelve Days of Christmas, a tradition for so long.
It's used to show great love through gifts and written in a song.
This special Christmas season I present these gifts to you.

To thank you for your love and care,
you show the twelve months through.
Please choose a gift, just one each day,
They are in order and numbered too.

Each one is special, not to share,
and chosen just for you!

And as you choose and open gifts,
Christmas will draw near,
But my love for you will not end here,
It will last throughout the YEAR!
