

# ALL ABOUT BROWS

This season, the brows have it. You can learn how to find the right shade and build that brow look you've been craving with just two *Mary Kay*® products!

VOLUMIZE

## Mary Kay® Volumizing Brow Tint, \$14 each

- Tinted gel with microscopic fibers adheres to hairs for fuller-, lush-looking brows.
- Lifeproof formula with flexible hold helps brows stay put all day.
- Customizable application – use alone or layer with other *Mary Kay*® brow products for added definition.

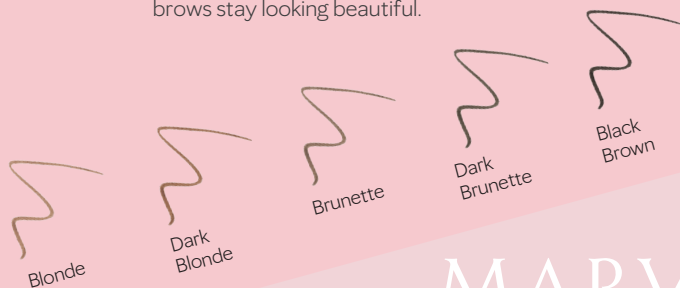

## HOW TO CHOOSE A BROW SHADE

Start with a shade that's lighter than your main hair color to add dimension to your look. Here's a special tip for redheads, silver- and gray-haired women: These hair shades look best when paired with an ashy tone, so try a blonde or dark blonde shade to start. Remember, you never need a brow shade as dark as you think you do!

## Mary Kay® Precision Brow Liner, \$14 each

- Retractable, precise point defines brows with hairlike precision and delivers perfect color placement.
- Smooth-glide liner allows for buildable definition.
- Long-lasting, lifeproof formula helps brows stay looking beautiful.
