

# Brand Ambassador

## FOR YOUR BUSINESS!

As an Independent Beauty Consultant you will want to ensure you are wearing 100% Mary Kay products from head to toe! Not only will you feel great about how you look but you'll be far more enthusiastic to share the products with others. Being your own best customer makes you the best Brand Ambassador for your business. We have so many amazing products to choose from but here's a good place to start! Isn't it great you can shop from your own personal store with 50% off savings!

**STEP 1:** Donate all of your other brand unused products to a local women's shelter or school drama department (makeup and skin care). They really do want your products! Throw away the used ones. It will be the best long term investment you can make in yourself and your business!

**STEP 2:** Use the suggestions below as guidance to create your own Mary Kay "wardrobe"! If you have questions or need suggestions, please reach up to your Sales Director!
