

HOW TO DOWNLOAD AND USE VIRTUAL BACKGROUNDS

Mary Kay Virtual Backgrounds are great for bringing more professionalism and visual interest to your virtual party or meeting on Zoom or Microsoft Teams!

You can find many Mary Kay-branded backgrounds in the Mary Kay® Digital Library under the Virtual Backgrounds topic. Then, simply find the one you'd like to use and save it to your device or Desktop. Now, you are ready to upload and present in style during your Zoom or Microsoft Teams meeting!

For Zoom

1. Sign into Zoom
2. Tap 'More' in the Controls
3. Click 'Virtual Background'
4. Upload Image

In Teams

1. Click on 'More Actions' within a video call
2. Click 'Apply Background Effects'
3. Select 'Add New'
4. Select the Image you want to upload
5. Open

New to the Mary Kay® Digital Library? Get started by visiting the [Mary Kay® Digital Library](#) page on Mary Kay InTouch® for all details on how to begin navigating through hundreds of Company-approved images and posts!
