

A multitasking oil that creates endless custom skin care possibilities.

- Healthy skin, your way: Use the oil on its own, mix with your favorite moisturizer, or go beyond the face by dabbing on to elbows, cuticles and more.
- Skin feels hydrated and looks revitalized.
- Suitable for all skin types, including sensitive skin.

For those who like to personalize their skin care routines, Mary Kay[®] Nourishing Oil does the trick. Use it on its own, mix the oil with your favorite moisturizer or foundation† and, if you'd like, use it on more than facial skin – think elbows, hands, cuticles and even on the ends of your hair. It truly is healthy skin, your way.

†It is not recommended to mix the oil with sunscreen or acne products. You can apply one product followed by another, but avoid mixing together as one application.

Mary Kay® Nourishing Oil is a fan-favorite for good reason. Not only does it leave skin feeling hydrated and nourished, but it also leaves skin looking revitalized and with a healthy glow. With the help of trusted ingredients such as sweet almond oil and vitamin E, this gentle formula feels lightweight, absorbs quickly and features a delicate vanilla scent that enhances the overall experience. In the morning, evening or both, you'll love how your skin feels satiny-smooth, soft and supple.

Key Ingredients:

- Features a blend of sweet almond oil, olive oil and sesame oil, which are natural emollients and provide moisturizing benefits.
- Includes squalane, derived from plants, which is an excellent moisturizer to help support the skin barrier and reduce dryness.
- Vitamin E provides protective antioxidant benefits.

Formula Attributes:

- Gentle formula
- Suitable for sensitive skin and normal to dry skin types
- Clinically tested for skin irritancy and allergy
- Dermatologist-tested
- Non-comedogenic

Use-Up Rate:

The use-up rate is approximately 2 months when used twice a day (2 or 3 drops per use).
