

HERE IS AN IDEA THAT YOU COULD  
DO FOR THE MONTH OF MARCH.

THROW A SAINT PATRICKS DAY PARTY! Decorate the room in green, lace the walls in shamrocks and have green goodies on the table to munch such as taffy, m&m's or andes mints, etc. or go all out and make shamrock cookies. Display all green and green products as featured items on a table in the front and offer them at a 10% discount! Do Satin Hands to all those in attendance.

Print and mail or hand out the flyer to the right to all your customers and see how many Parties you can throw in the month of March!

**BONUS:** Create a couple fun gift sets with fun dollar store items to create a fun and festive gift set. Give one to the best dressed and offer the rest for sale!
