

HYDRASESSION BOOKING SCRIPT:

Hiiii Stacey! I'm working on a new treatment experience called a hydrasession and it is awesommmmmme!!! It's a super popular deep exfoliating and hydrating experience similar to a popular (& expensive!) one at the spa, and I can give them for freeeeeeee. 😍🙌🙌🙌

I get to treat 33 women to try it out before the end of the month so of course girl you're on the top of my list!

Would you rather me come to you or would coming to an event be more fun for you?

(after booking a time let her know that she can gift the hydrasession experience to her girlfriends free also and she gets ___ for each gal who comes)

INVITE TO HYDRASESSION EVENT SCRIPT (simpllllle!) :
