

WHAT IS A MARY KAY HYDRASESSION? 💙

It's our version of a really popular and expensive appointment at a spa that you will LOVE! These specific steps give us a layering approach to your skincare routine that mimics the spa experience with similar ingredients, yet easy and safe to use at home. Adding to your routine brings maximum skin benefits and you can try it free with your beauty consultant. 😊 Involves deep exfoliation, gentle pore-declogging, and extreme healthy nourishing hydration.
