# IT'S WAKE-UP TIME!

**NEW! MARY KAY® HYDROGEL EYE PATCHES,**  
**\$40, pk./30 pairs**

The pink pick-me-up patches deliver a refreshing burst of hydration to the eyes! At home. In a hotel. Or anywhere you want to pamper yourself.

Inspired by K-Beauty technology, these shimmering patches snugly adhere to the skin and stay in place. Whether you're lounging around or prepping for a night on the town, the undereye area will absorb all of the benefits.

- **Instantly reviving.**
- **Instantly cooling and soothing.**
- **Clinically shown\* to instantly boost skin hydration.**
- **Helps with the look of puffiness and dullness.**

## HOW TO USE

1. Apply an eye patch under each eye with the larger end of the patch toward the outer eye.
2. Relax for 20 pampering minutes. Escape. De-stress.
3. Gently massage any remaining gel into your skin. Follow with your skin care routine, including your favorite *Mary Kay*® eye cream.
4. Discard the used eye patches. Do not reuse.
