

## READ ME 1ST!!

Thank you for allowing me to send you a Pamper Package for a little self care pampering at home! I've provided instructions for you!

Your session also includes a private video chat with me & a \$10 coupon! Yes, I do care about people's skin and personal preferences. This is a generic package to start with. I want to know your style – simple/all natural/anti-aging/ or power-house anti-aging!

Call me when you receive your package – \_\_\_\_\_ and we will do a quick 5-minute chat!

### INSTRUCTIONS

1. Cleanse your face with the facial cleansing cloth provided. Just a little warm water and the cloth will lather. Please note that this is sampler and is ½ of the full-size cloth.
2. Apply the charcoal mask in the areas of your face that may be oily, have larger pores or need a little detoxification! Smooth on so the mask is dark and you cannot see skin breaking thru. Let dry for 15 – 20 minutes and wash off with warm water and a washcloth.
3. You may also choose to apply the hydrating gel mask at the same time in your drier areas OR you can apply it AFTER the charcoal mask has dried and been rinsed off. This is a botanical mask that will nourish your skin with extra hydration. You may leave this on for 20 minutes and wash off – you can leave it on ALL night and sleep in it OR you can wear it all day under your moisturizer if you are super dry skinned!
4. After your face is washed – masked – and rinsed apply your TimeWise 3D day cream. This cream is thick and packed with minerals and anti-aging properties! Use a small amount and warm it up on your fingertips first. Apply to the face and throat area.
5. All packages have a foundation – please know – this will probably NOT be your perfect match! We can work with that on a video chat!! Enjoy the feel and texture of it!
6. A color card has been provided for you. These may or may not be your preferred colors. Again – we can customize just for you.
7. The hydrating lotion is an all over body lotion that you can easily smooth on your dry winter skin! You can also drop a couple drops of your favorite essential oils in for a great carrier!

I have enclosed a coupon for you to use 😊 I have products in stock and available for immediate delivery should you choose to purchase. Just call – text – send a message or order from my website. Marykay.com/\_\_\_\_\_

Stay safe, healthy & blessed in this season of life!
