

SUPER-SILKY SETTING POWDER IN 12 NATURAL-LOOKING SHADES

- Designed to extend your makeup wear, this innovative formula delivers the setting benefits you want without the things you don't, like mineral oil, wax, silicones, parabens or fragrance.
- A plant-based emollient contributes to a silky, whisper-light softness for increased comfort, decreased dryness.
- Reflecting the next generation in high-performance powders, modern pigments reflect global diversity and complement Mary Kay's full range of flawless-face products.

The Silky Solution to a Flawless Finish

Now it's easier than ever to experience the ultimate in powder perfection with *Mary Kay*® Silky Setting Powder. This makeup multitasker helps even skin tone and blur minor imperfections while providing a matte finish that smooths your appearance and minimizes shine.

Multibenefit Powder Perfection

Versatile and easy-to-apply, *Mary Kay*® Silky Setting Powder addresses the need for a tinted, multibenefit loose powder with staying power. It blends effortlessly to enhance your makeup look, or you can wear it on top of clean skin when you're feeling a "less is more" vibe.

Reflecting the next generation of high-performance powders, this innovative formula delivers all the benefits you want from a setting powder, without those things you don't, like mineral oil, wax, silicones, parabens or fragrance. The result? A product of gossamer lightness that caresses your skin like fine silk.

Match. Set. WIN!

This formula includes a plant-based emollient to deliver whisper-light softness while helping to minimize dryness and flakiness. Plus, a range of natural-looking skin tone shades give you the ability to subtly color-correct for a more even appearance.

All shades align beautifully with *TimeWise*® Matte 3D Foundation or *TimeWise*® Luminous 3D Foundation, as well as other flawless-face products Mary Kay offers.

Delight in the photo-ready perfection that comes from finding your perfect match!
