Booster Basics: Boosters are intended to complement your current regimen. Each solution-specific product addresses a targeted skin concern, whereas serums take a broader approach. Each booster targets a singular benefit by harnessing the power of a very narrow set of highly potent ingredients. To give skin a boost of confidence, simply identify with booster(s) you think your complexion will benefit from and incorporate it/them into your existing routine.

Mary Kay® Supreme Hydrating Lipstick - \$18 each
