### The Story of Shea

Used for centuries to protect, enrich and soften skin, shea butter is known to contain omega-3s. Omega-3s are known to help maintain skin's natural moisture barrier. A perfect ingredient for your everyday spa experience, shea butter wraps skin in creamy hydration bliss.

**POWER STATEMENT:****Satin Body®: unwind in shea butter bliss.**

When you find a few precious minutes to yourself, they should be time well-spent. The new Satin Body® collection creates the luxury of a spa retreat in your own home.

When you feel the creamy bliss of shea butter and breathe in the fresh scent of White Tea & Citrus, you escape to a place where your senses are endlessly, pleasingly satisfied. In this oasis, you can recharge, and your skin will feel satiny-smooth and instantly soft.

You'll want to reach for White Tea & Citrus **Satin Body® Whipped Shea Crème** when you need a bit more luxury. Like a plush, soft blanket, this additional indulgence gives you an extra layer of coziness.

**Signature White Tea & Citrus Scent Inspires Me-Time**

Leave the rest of the world behind and pamper your senses while you pamper your body. This signature scent features white tea, treasured by tea lovers because it is the lightest and most delicate variety, in addition to a customized blend of pink grapefruit and lemongrass, and notes of cardamom, cherry blossom and blooming jasmine. It's time to experience the bliss.
